

WEEKLY UPDATE

for members of the
San Diego Bicycle Club

PRESIDENT'S MESSAGE

Thank you to everyone who attended the first board meeting of the year! I think the message this year is inclusion - we want to include all racers, weekend warriors, New Year Resolutions, moms, dads, aunts, uncles and everyone else to our club and our Saturday rides. With seven rides, there is one for you and someone you know. Let's bring someone to the Saturday ride this month.... let's show our new riders and our returning riders that we are the BEST bike club in San Diego!

Vali Holroyd

Fiesta Island Time Trials

Wow! Sunday was a spectacular event! Thank you to the organizers, sponsors, volunteers, and of course the amazing racers! There were 91 registered racers and they did not hold back. Junior Lara Mertens set a new course record for '2 Laps Junior Girls 13-14'. And there were many more significant achievements! Check out their results here:

Order Your 2022 SDBC Kit!

Is everybody looking blue but you? Order the new 2022 SDBC kit today!

PACTIMO

Please note that FedEx is having the same issue as the airlines, restaurants, and most businesses - they are experiencing delays. So it's best to order your kit sooner rather than later.

If you have any questions about ANYTHING related to the kit, DO NOT CALL PACTIMO! Please contact me! They are not set up to provide call support to club members. Our Pactimo Team password is sdbc2022

San Diego Martin Luther King Ride

Saturday, January 15, 2022 at 8:30 from **Runner's Bathroom** at Mission Bay Park. There is a long route and a short route. For more information see this page:

<https://www.facebook.com/events/3112446405705484>

Share Your Adventures

Did you have an exceptional ride during the week? Whether it was solo or with a group, send a photo showing you wearing your SDBC kit and a short description to weekly@sdbc.org and we will try to include it.

Dan Goese and Marc Lee had an incredible New Year Adventure! They started the year with a 75 mile, 5200+ ft ride! See the details on Strava:
