PRESIDENT'S MESSAGE

February is here and with it comes the great news that we now have an Executive Race Director for Barrio Logan Grand Prix! Now, the **final position to be filled for BLGP is Volunteer Director**. Because this race depends on many volunteers to run it, the success of BLGP depends upon getting someone to fulfill this position. Without this position, it will be extremely difficult to hold this race. Please consider helping out - you can do it on your own, or with a teammate! **Contact me directly if you are interested.**

On a personal note, I'd like to say thank you for the award on Saturday. I truly appreciate your recognition as Cyclist of the Year. Our club is amazing! All of you inspire me to do everything that I can for it. And it makes me very happy to congratulate Pete as Teammate of the Year and Chris as Ride Leader of the Year! Thank you both for being pillars of our cycling community!

Cheers,

Vali Holroyd

SDBC WOMEN'S TEAM

Some of the SDBC Women's Team attended the award ceremony and then joined the B ride through Stud Loop. It was terrific learning (and drafting) from them! Check out how the new blue socks complement their new kits! Click the picture to see more pics from Saturday.

Our new, custom socks are available for purchase in the [SDBC.org store](https://sdbc.org/store) (NOT the Pactimo website!). Purchase your socks online and then show your receipt to the staff at UC Cyclery to get your socks. It is a hard requirement to have your eReceipt. UC Cyclery has no visibility into the sales; without your receipt, you may not pick up your socks. Please let me know if you have any questions.

Hey! Check Out Our New Canopies!

As promised, all the old red & black SDBC canopies were updated by the end of January. They're now sporting our new blue mosaic & orange colors. Our super speedy team of Katherine Nadler, Max from UC Cyclery, Mike McLaughlin and me were so fast we could replace a canopy in 4 minutes!

If you need canopies for an SDBC event or special occasion we have them ready for check-out. Just let me know.

CONSTRUCTION NOTICE

Construction on the new [Pershing Bikeway](#) has begun. It is expected to take two years to complete and will be a nice connection between downtown and North

Park.

Highlights:

- one travel lane in each direction.
- two-way cycle track on east side with very few crossing-conflict points
- for fast and confident cyclists there will be a buffered bike lane, or sharrows where narrow, on the southbound/downhill side.
- separate pedestrian facility with little reason for walkers to be on bikeway.
- well designed roundabout
- nice landscaping

Community, Unity and Diversity

I spent the weekend of Jan 22-23 in LA attending the [All Clubs LA Gala and Champions Ride](#), there were a few of us from SDDB there. All Clubs LA is a quarterly ride event focused on developing Community, Unity and Diversity in the sport of cycling bringing together a broad spectrum of cyclist of varied racial, social economic and belief groups from the greater LA basin with the common message that we are one.

The ride was led out by [Nelson Vails](#) and attended by approximately 200 riders who rolled through the streets of LA at a conversational pace in one solid peloton of cyclists. Imagine trying to keep a group that size together through LA streets with the traffic they have...they do it very well. See the pictures below.
