

President's Message

I want to thank everyone who came out to SDBC's Ride for Ukraine on Sunday. When I pulled into the UCC parking lot, I had goosebumps. It was an amazing day, and everything and more than I could have hoped for. SDBC made this the ride it was and I am so grateful to everyone who participated.

As we continue planning more events to strengthen our community relationships, we are also looking ahead to 2023. Next year, SDBC will continue to expand its activities and we need motivated and passionate members to join our board of directors. In addition to other roles, we are looking for a President, Vice President and Treasurer. These are critical positions to the club's success. I urge you to step up, or if you have someone in mind, nudge them. If you are even mildly curious about any of these roles, please contact me at president@sdbc.org. We need these positions to be filled in order for the club to continue its legacy!

Cheers,
Vali Holroyd

She Is the Fastest!!!

Top honors go to a former SDBC Women's Team member **Denise Mueller-Korenek** at 183.9 MPH earning her the title as **The Fastest Human Cyclist on the Planet...**sorry guys.

In September 2018 Denise and her team showed up at the Bonneville Salt Flats with her not so stock KHS bicycle and specially modified race car to draft behind. She not only bested her previous record of 147.7 MPH but set a new overall World Record becoming the first and only woman to take this title. For all the guys thinking they'd be the next record holder she literally showed up with a smile and handed each one a 1-800-YouGotDropped card and they've been chasing her wheel ever since. Her sights are now set on the 2024 Paris Paralympics with teammate Amy Dixon as a track tandem team. Here are a few links to see more of her accomplishments:
