

## President's Message

Happy June! I hear June Gloom is going to lift for a few days, so get out and ride! Stay tuned for announcements about our annual Red, White and Brew Ride as well as our Volunteer Appreciation Party....

As you all know, we will be looking for 2023 Executive Committee members. We are also in a current search for a Sponsorship Director to finish out 2022 and secure sponsors for 2023. This is probably one of the most important positions on the board, and I encourage you to let me know if you have any interest at all! It's a great way to get to know our sponsors and help support the club at the same time. My virtual door is always open!

Cheers,

**Vali Holroyd**

## 6th Annual Memorial Day Ride

We had a group of 38 riders led by Michael Pelkey with assistance from fellow SDBC Ride Leaders David Gomaidy and Ed Leonard. Before roll out from UCC Michael explained the significance of the ride and the memorial plaques on the walls surrounding the Mt. Soledad National Veterans Memorial. It was a moving speech. The weather was perfect and the group rode together on the flats and regrouped on the hills. At the Mt. Soledad entrance we learned that there was a special ceremony occurring and we were not allowed to ride to the top. After descending Nautilus, we headed to the Fort Rosecrans National Cemetery to pay our respects and take a group picture.

It was a beautiful day. Thank you to all for coming along and thank you to all who have served or are serving our country in the military. Your dedication to answering the call of duty, standing up for what is right, and with the commitment to further the cause of freedom and democracy, is honorable.

Michael Pelkey , Ride Leader

## Via Capri Challenge

Many thoughts were racing through my head while on my 8th lap of riding up Via Capri. What am I doing? How many more laps can I go? Can I make it to 10? What about 15? But Via Capri is not easy. There are 3 steep sections with 2 short flat sections in between, if you consider 4-10% flat. Catching my breath, I decided to try to make it to 15 laps but it was an emotional battle. I needed support.

I sent a message asking cycling buddies and friends for prayers and motivation. Each comment of support that was sent was a shot of energy which kept me going. And much to my surprise, a few friends showed up in person! Everyone's encouragement meant the world! Special thanks to Michael Pelkey for pushing me to do my 11th lap and to Serge Issakov and his daughter Anya

for delivering fresh juice and sparkling water!

Finally, after a bit under 6 hours of riding up and down Via Capri, I completed 15 laps and 10,000 ft of climbing. I could not have finished it without the support I received. I am so proud to represent SDBC with this accomplishment and to be a part of this amazing community.

Sincerely, Thank you to all!
