President's Message

I hope you all had a good Labor Day weekend and kept safe and cool. Thank you to the riders who toughed the heat to ride in memory of Cecy Krone on Monday. It was a great day and an even better ride. Many thanks to our ride leaders who managed a very large group. Our next official event will be the **Borrego Springs Camping Weekend**. We are currently developing the posts and sign-up logistics. Huge thanks to Josh Bonnici for organizing the event this year. Please stay tuned as we are days away from the announcement and launch of the reservations.

We are actively recruiting Executive Committee members for next year. If you have any interest in serving on our 2023 board, whether at a president, vice president, treasurer, or general board position, please shoot me an email. We are looking for fresh faces and energy to propel us into 2023!

Cheers,
Vali Holroyd
President SDBC

Cecy Krone Memorial Ride

Fifty riders rode in memory of Cecy Krone and fellow cyclists whose lives have been taken by drunk drivers. The event began with an introduction by Pete Kane, followed by Lee Driver sharing a few personal stories about Cecy. Afterwards, the group headed to McGee Park at a social pace led by our SDBC Ride Leaders. After recuperating at the park, a small group of 13 braved the heat and rode Les' Loop while the rest of us returned along the coast. It was a good day and ride to honor Cecy.

Our 2023 kit design process has begun! We have a focus group and the first concept design has been requested. The reveal will be at our club night in November. We will release that date as soon as the logistics come together.

At San Diego's Bike the Bay on Aug 28, this SDBC rider made it to the top of the bridge for a solo photo shoot, alone.

As a volunteer coordinator for Bike the Bay I get to take advantage of my time on the bridge each year. This year I went up and over sporting the SDBC kit.

And it was fun to see many more SDBC volunteers and riders in the event!

Getting more SDBC riders to participate in local community events such as this is a goal of the SDBC BOD. So send me an email and let me know where you would like to go next. I am also looking for someone who would like to be part

of a working group to help put this initiative together.

Here are a few examples of upcoming rides SDBC could participate in.

Tour de Foothills, Upland, CA 12 Nov 22 (free to Veterans)

Tour de Palm Springs, Palm Springs, CA 11 Feb 23 (great first century)
