President's Message

Please see the information about our Toy Ride below! This will be another year of amazing toy contributions from our club and I am sure it will be a great day.

Our annual meeting, and my final one as president, will be held on December 13. Details are above. This is, by far, the most important meeting of the year. It is where you can come and take part in voting in not only your new board of directors, but the club member who you support for the SDBC annual awards. If you can only attend one meeting per year, this one is it! I do hope to see many of you that evening.

Cheers,
Vali Holroyd

**35th Annual Light Up A Life
Toy Ride**

We hope everyone can join us for our Toy Ride this Saturday! The Bike and Costume Contest starts forming at 8:00 at UC Cyclery followed by the 40-mile round trip ride to deliver the presents.

Make sure to decorate your bike and dress up for the festivities - prizes will be awarded! Then we will follow Santa (Bill Riggs) on our traditional route to the Joan Kroc Salvation Army Center at a slow to moderate pace. Intersections will be controlled by ride leaders and several regroupings are planned to keep the group together.

Please note that the pavement in several sections is rough and there are a number of large potholes, so please communicate and give each other some maneuvering room.

Refreshments will be provided at our destination.

Our store is still under construction (the entire platform is new and being built) and we anticipate the store opening around December 15th (or so). I'll do my best to get an email out when it is up and running. Please remember that each order takes approximately 6 weeks to arrive at your doorstep.
