

WEEKLY UPDATE
for members of the
San Diego Bicycle Club

I hope you all survived "Storm 2023" ok. Only a minor interruption to our cycling schedules in the end, but keep an eye out for those who do need help. I hope much of the debris wasn't swept straight into the bike lane where you are.....

Spots for the Borrego Springs ride are going fast - make your reservations now at <https://www.sdbc.org/store/2023-borrego-springs-camping-reservation>

All of your favorite riders and racers will cycle out to the desert for an evening round the campfire, then ride home again. Hope to see you there!

Cheers, and see you on the roads,

On a side note: On behalf of the Office of the Mayor of Yuma to invite you and your network of cycling community members to an international bike ride on Saturday, Oct. 21, near the borders of Arizona, California, and Mexico. Details are available here: <https://www.yumaaz.gov/government/mayor-and-council/international-bike-ride>

Although this does conflict with the SDBC Saturday ride, it is worth mentioning! Please reach out to me if you have any questions at lucy.rodriquez@yumaaz.gov.

Non-SDBC sponsored, but you will see many SDBC riders on these Weekday Rides

So often we are asked, "does SDBC do any other rides besides Saturday?" Officially, no, but riders getting together for the rides will further enhance SDBC camaraderie, and will encourage others to check in with each other and get out and ride more.

FOR SALE!

A beautiful Santana Sovereign tandem awaits you! Size 58 captain / 50 stoker. I am 6'1" and my wife is 5'3". We are the original owners and have enjoyed this tandem on club rides, but now we live in a hilly area and thus we have aged out. Stunning brushed aluminum finish. Never crashed or dented. Carbon fork included at time of purchase. Drop handlebars for captain/stoker, stoker suspension seat, pedals, and saddles all included. Shimano Ultegra throughout and all mechanicals work correctly. Ready to enjoy and needs nothing, except you!
